Authorized to work in the US for any employer

WORK EXPERIENCE

Crane Operator

Sabre Industries, Inc. - Alvarado, TX - September 2014 to September 2015

Responsibilities

I operated a crane making bundles.

Accomplishments

I worked hard to keep a safe environment for me and all others around me.

Skills Used

I demonstrated a safe work environment. I was responsible and went to work on time. I completed my job within the time allowed and I worked well with others. I am a fast learner and can show excellent job performance.

Shipping and Receiving

Walmart - Rocheter, MN - June 2003 to February 2014

Responsibilities

I unloaded trucks on a daily basis. I picked out merchandise to be used in the store and also made sure to keep the warehouse clean.

Accomplishments

I took pride in my work and kept things neat and clean. I continued to work there for 11 years because I enjoyed my job.

Skills Used

I was very neat and clean in placement of items along with how I presented myself. I continued to keep the warehouse organized throughout my years of service. I am very responsible and had great attendance. I worked as a team player with many other co-workers and can complete task in a timely manner.
