

# Tony Hulbert

General Laborer seeking full time employment.

Kasson, MN

tonyh56@outlook.com - 507-923-1000

Responsible and hardworking general labor that can collaborate with a team and produce quality work on tight deadlines. I am flexible and dependable and have recently worked with a field drainage company. I am able to learn multiple positions quickly and perform them well. I feel I work well in a team environment also individually. Have experience working with mentally challenged adults. The skills I had portrayed were dedication, extreme patience and understanding of physical and mental disabilities of the client. Authorized to work in the US for any employer

## WORK EXPERIENCE
