Im having a problem with my
Supviser he treats me different
and I would like to get + moved to line
one Because I am sick I have bad
migraine and my feet and hands get
swollen, I always do my job.

there's like this one time there was
a meeting and I know it was cause of me
what did I do I dont even know,
and he always believes his people
that is unfair, thats why I came to
the office today I wanted to ~~talk~~
in person But you are not ^{talk}
Here sorry,
