Dalinna vs. Darys

On Saturday 5/1, Darys mistreating me, ~~and~~ threading talk to me. When I want to ~~talk~~^{talk} to him, he is not listening but yelling at me and sent me home, and ^{tell me} not coming to work ~~and~~ and talk to CMG tomorrow (Sunday). CMG closed Sunday, so I can't come ^{to work next day} but had to wait until Monday. I Don't Quit or walk out, but he sent me home. ~~He~~ If he said, I walked out, then he is making it up. This guy has a bad attitude, discriminate to people who speak little language because he think those people can't speak good English, afraid to come to CMG and discussed the matter with upper management. It is stressful and very depress to have the unfair, unrespect supervisor like Darys. When I see other employees do something wrong like cheating on stealing hours from the company and tells him about him, he is not listening and always raise his voice when talking with me. He is not fair and pick people. That is discrimination. He did this to many other people like Channa, Laura, and Sitha, Dane.
