5. Program back card scanner to the appropriate UPC code for each item being produced (OP0002WI Barcode Scanner Work Instruction and OP0003FO Barcode Scanner Check Sheet).
6. Enter appropriate product information using case label software (QA0554WI Case Label Printing Instructions).
7. Verify the correct packaging materials are in the room; ensuring the correct size cartons and the correct color boxes are available.
8. Assist on the finished product end of the line with assembling boxes and filling back cards on the card applicators as needed.
9. If any position falls behind from the finished product end, assist that position in getting caught up.
10. Ensure production meets efficiency and quality standards by checking and making the necessary adjustments.
11. Monitor tray waste at the post packaging inspector point, transfer, denester, and cartoning end of machine. Complete a Tray Waste Form to document waste during the shift for that machine.
12. Perform label verifications if Supervisor is unavailable. A Supervisor or Line Lead must sign off on all label verifications (QA0556FO Reichel Label Printing Checklist).
13. Assist the Production Supervisor in the training and development of employees. The Line Lead will be a "buddy" for any new employees and assist in training.
14. Support the Machine Operators in production set up and changeovers. Assist the Machine Operator in bringing supplies to the machine from the threshold of the room.
15. Assist the Machine Operator and Maintenance in identifying and troubleshooting production equipment challenges.
