Work Experience

Powder/liquid painter

Crenlo Cab Products, Inc - Rochester, MN
June 2019 to January 2021

I worked as powder painter as well as a liquid painter. My job was to prep and apply certain amount of paint to each cab evenly (3.0 ml).

Painter

GeoTek, INC - Stewartville, MN
May 2018 to May 2018

As a painter at Geotek my job was to repaint beams that were messed up during production.

Finishing booth operator

HALCON Furniture - Stewartville, MN
May 2014 to April 2018

Job was to apply color to product and to spray on sealer, shade, and top coat, and of job required primers and paint as well. As well as maintaining a clean and operational booth
