Work Experience

Sanitation Worker

AWG - Saint Cloud, MN
Present

I clean the warehouse of cardboard and shrink wrap trash. I use the baler for cardboard and plastic. I clean break rooms and bathrooms keep everything clean and safe for other workers

Sandwich production

E.A. Sween Company - Annandale, MN
October 2021 to November 2021

Prepared sandwiches on a moving conveyor. Followed all safe handling practices.

window production

Thermo-Tech Windows, LLC - Saint Cloud, MN
April 2020 to July 2020

I assembled the frames of windows and added any extras the windows required, I also pull completed windows off the line and put them in a wheeled pallet. I also scanned into the computer the finished orders and labeled with sticker per requirement

Embroidery Operator

Dubow Textile - Saint Cloud, MN
January 2020 to March 2020

I ran an embroidery machine selected the appropriate colored threads for the order i used orings to decide where the emblem would go and placed it. I used the computer to put the order in the system , ran the required amount through the embroidery and cut any lose threads , completed the order in my system and moved to the next part of production

Education

Some college in Business management

Minneapolis Community and Technical College - Minneapolis, MN
August 2009 to July 2010
