Work Experience

Server

The Waters Senior Living - Rochester, MN
May 2022 to August 2022

At The Waters On Mayo wood I would serve food in a very specific way to the residents, most of the residents were elderly so they often needed help with other things that related to food, I also had to clean up for every resident whilst cleaning anything that was left before me, while simultaneously making sure everyone had eaten and that most of the things in the kitchen were properly stocked, it was a great job, with even greater employees.

None yet

McDonald's - Rochester, MN
June 2021 to March 2022

My role as a Crew Member at McDonald's is dependent on the day. I bounce around and nearly do everything. I work 10 hour shifts so Im there constantly and am the right hand man to if anything needs to be done. I mostly work as a cashier and order taker simultaneously. I also make some of the food and beverages. Nearly everything except wrapping the food.

Education

Junior High School Education

Century High School - Rochester, MN
