Hello My Name is Tasha, I am very good with people and I love to be challenged. I am a very hard worker. I have worked many jobs. Such as hotel jobs. I did housekeeping, an breakfast attendant. Aswell as working front desk. I was a unarmed security guard, I have worked at daycares, nursing homes, Call representative working from home, I have worked at several gas stations, grocery stores, temp agencies, an even restaurants. Whatever I can do to provide. I love to work the thought of hard work I'm getting paid because I got up and went and strived for it . I have a kid who looks up to me, and gives me all the Motivation I need. I like to go bowling shop and volunteer where ever I can churches, shelters, even nursing homes. I really am a good reader, writer, an speller, and I have good respectful grammar as well. There are some things that I have never done yet. I am not going to let that stop me because I am a very focused & outgoing person. I Definitely pay attention you have to pay attention. I'm someone who wants to work and grow from the company that I work with. I don't want to work just to collect a check and quit... Or never learn anything from the jobs. Wherever I work I guaranteed my employer will not be disappointed.

Willing to relocate: Anywhere

Authorized to work in the US for any employer
