## Work Experience

### General Cleaner

Arnold's Supply & Kleenit Co - Rochester, MN  
May 2022 to July 2022

I had 4 different buildings to clean. I usually clean the hallways and the bathrooms they have in there. Usually I start off with the toilets first in both the men and women's bathroom, then clean the sinks, mirrors, sweep and then mop. Then I would grab the trashes, put new liners in the bins, then take the trash out. After I would vacuum the common areas of the building, which completes one building

### Laborer

S.L. Contracting Inc. - Rochester, MN  
August 2021 to November 2021

I was in the sealant crew, basically we had to crack full parking lots and some roads. After crack filling, we would let it dry and then spray a sealant on the road to protect it from the sun and rain and all.
