## Education

### **Bachelor's in Geology**

Winona State University GEOLOGICAL SCIENCES - Winona, MN

September 2017 to May 2020

### **Associate in Liberal Arts and Sciences**

Rochester Community and Technical College - Rochester, MN

September 2011 to March 2012

## Skills

- Introductory and Advanced GIS courses using ArcGIS software
- Microscopy and slide preparation for diagnostic analysis in mineralogy, petrology, cellular, immunological, histology and microbiology samples
- Biological assays, specimen collection procedures, blood borne pathogens training, biohazardous materials disposal, airborne, droplet and contact isolation SOPs training
- Lab3 to Soft Lab software transition educational resource personnel during implementation for phlebotomy shift
- Customer service and HIPAA compliance training
- Delegation and prioritization skills for medical lab collections and exploratory paleontology dig site field operations
- Document digitization, library collections curating
- Field mapping
- documentation
- reporting and geological features with relation to geophysics
- structural geology
- applied hydrology
- mineralogy
- petrology
- paleontology
- geomorphology
- watershed sciences.
- Anatomy Knowledge
- Molecular Biology
- Tutoring (4 years)
- ICU Experience
- Chromatography
- Hospital Experience
- Quality Control
- ELISA
- Spectroscopy
- *Physiology Knowledge*

- Aseptic Technique
- Microsoft Office
- Research & Development (1 year)
- Data Entry (3 years)
- Phlebotomy (2 years)
- Laboratory Experience (2 years)
- Medical Terminology (4 years)
- Research Laboratory Experience (1 year)
- Data collection
- GIS
- Patient Care
- Western Blot
- Software Troubleshooting
- Computer Networking
- CGMP

## Awards

### **Dean's List**

May 2020

Three semesters of being on Dean's list before graduation.

## Assessments

### **Mechanical Knowledge — Expert**

June 2020

Understanding and applying mechanical concepts and processes.

Full results: Expert

### **Following Directions — Highly Proficient**

June 2020

Following multi-step instructions.

Full results: Highly Proficient

### **Work Style: Conscientiousness — Proficient**

June 2020

Tendency to be well-organized, rule-abiding, and hard-working

Full results: Proficient

**Work Motivation — Familiar**

July 2020

Level of motivation and discipline applied toward work

Full results: Familiar

**Work Style: Reliability — Completed**

July 2020

Tendency to be dependable and come to work

Full results: Completed

**Filing & organization — Expert**

October 2020

Arranging and managing information or materials using a set of rules

Full results: Expert

**Research — Proficient**

January 2021

Following protocols, interpreting statistics and graphs, identifying errors, and choosing research methodology

Full results: Proficient

**Electronic health records: Best practices — Highly Proficient**

December 2020

Knowledge of EHR data, associated privacy regulations, and best practices for EHR use

Full results: Highly Proficient
