Hi my name is Annie. I'm a 23 year old Mom with a baby girl born in May 2021. My favorite color is purple. I love animals. I also a expert at multitasking. I love working hard and I have always been told I have a lot of potential. I like being very well organized. I love learning new things all the time. I love to see where I can go with it given the chance! I'm great with people and customers because of my caring, calm, and empathetic nature. I will always try to make things better and customers happy. I smile a lot. I am always willing to help out when I miss a day or if a fellow co-worker needs the help. I always believe in helping! I don't mind picking up hours or shifts to help out! Even if I have to learn something new to help out I will! I have learned a lot with computers and paperwork. Best way to learn is to practice and also stay organized! Don't ever be afraid to ask questions while learning!
