## Work Experience

### **Cook/Transporter**

Food coop - Rochester, MN  
May 2016 to November 2019

My responsibilities as cook was consisted of prepping and cooking the food for the café also keeping up with the cleanliness off the cafeteria is very important as well as great customer service. I also served as a lead when the survivor was short or were busy with other projects my responsibilities were to make sure that every staff in my area was doing they part in making the cafeteria a place that's welcoming and to make the goal which is to have the food ready on time and, the food is always ready and fresh and closing down the cafeteria at the end of the night which helped me with my leadership skills and communication with other employees
