RE: Tommie William McReynolds  
DOB: 04/29/1973

Tommie McReynolds was most recently on probation on Olmsted County Court file #55-CR-19-1717 and I was his probation agent. He was convicted of Person Ineligible to Possess an Electronic Incapacitation Device, a gross misdemeanor offense. I have included a copy of his sentencing order to verify this is a gross-misdemeanor conviction, not a felony. He was placed on probation for 2 years and was supervised on the Telephone Reporting System, our lowest level of probation. He successfully completed all conditions of his probation and remained law-abiding. He was discharged on April 28, 2021, and his file was closed. Tommie reported in as directed and maintained regular contact with me. There were no violations on this file. I have known Tommie for several years and know that he is always striving to better his situation, for himself and his children. He is always respectful and polite in our communications.
