SKILLS

- Promoting interaction between customer and employees
- Creating neat and sanitized areas
- Properly labeling products
- Being attentive to company rules
- Responsible Time Management
- Using Integrity everyday
- Establishing and maintain outstanding customer service
- Solving problems that may arise

EXPERIENCE

Mar 21- Nov 21 Mayo Clinic Rochester, MN
Housekeeper

- During the duration of the job, I was required to participate in company training. My job duties were to clean and maintain any frequently touched surfaces. I worked carefully with company sanitation products to provide a neat and clean environment. I would sometimes socialize with the patients in order to build a relaxing environment. I am comfortable working with individuals from all different walks of life. I keep a professional and comfortable environment in any place that I work. Contract ended and I was relieved from my position as a result.

August 2020-Present Hyvee Grocery Rochester, MN
Sales Associate/ Stocker

- During the duration of this job, I warmly greeted customers and answered any questions they may have. I orderly restocked the shelves of my assigned department and offered to help co workers with their areas. I correctly labeled prices and rotated products on the shelves. I disposed of non saleable items in the company's specified manner. Leaving a clean and sanitized area.

EDUCATION

August 2013 Jefferson Chamber Academy Harvey, LA
High School Diploma

Aug 2021 to Present Rochester Community and Tech College Rochester, MN
Associate in Automotive Technology

- I am currently in school to obtain an Associate degree in Automotive Technology. I will graduate in Fall of 2022.
