Hello,
Sorry, I misheard Aysha. She did not say Ali went to jail. That is a mistake on my part!!!! My sincere apologies.

Some more clarification on the event from today at work.

Aysha went to the bathroom after waiting 40-50 minutes. Ali brought Khadija to take over for Aysha while she went to the bathroom. When Aysha came back, Aysha returned to her original spot. Khadija left to the bathroom. Ali came up to Aysha and began yelling at her. He was yelling at her saying "why did Khadija go to the bathroom?". Aysha said, "she asked Ali to go to the bathroom way before I did. So I think that's why she went now". Ali then proceeds to flip the tray in anger and say "I don't want to see you go to the bathroom at work forever. If you do, I will **kill** you.". Aysha said, "shut up you don't have the right to do that". And that's when she went to Jimmy in the office. Jimmy said he will talk to Ali. He came back and said Ali has a witness and that Aysha took forever in the bathroom which Aysha denies. Aysha asked Ali to go to the bathroom last week and she had to wait 3 hours and eventually had to run before she had an accident.

Ali is a line worker like Aysha. He does not have the right to act like that to Aysha. Aysha only uses the bathroom once her entire shift. She has a doctor's note. Please, she asks you to address this!

Thank you

Hello Kelsey, hope you are well.

Aysha and some other employees have been feeling very uncomfortable at the workplace recently and I think it is important HR brings some attention to it. Aysha as well as others have been having trouble going to step out to use the restroom when needed. As you know, Aysha has medical conditions that require frequent bathroom use. She even presented you a doctor's note. Even so, Aysha only uses the bathroom once or twice within her 8-10 hour shift because she doesn't want to seem excessive and fears being yelled at. Using the bathroom is a BASIC human right and no job should gatekeep that.

I am reaching out to you today because an unacceptable event took place while Aysha was working. Aysha stepped out to use the bathroom and returned and took over for another line worker (Khadija) so she can use the bathroom. Ali noticed that and approached Aysha and began to yell at her asking "why did you take over for her? Who allowed you?". Aysha replied and said, "she had to use the bathroom and you can't prevent that. So I took over for her. I can go to the bathroom whenever I have the need it is not your business". Ali then took a tray that was on the line and flipped it in anger and decided to yell at Aysha and say "I dare you to go to the bathroom now. If you take a step towards it I will **kill** you." THIS IS VERBAL HARASSMENT. I will not tolerate this. Aysha went to Jimmy and told him what happened and he told her Ali has witnesses. Ali has been threatening Aysha for quite some time now and has been verbally harassing her. **Threatening to kill her is not acceptable and I urge you to take action.** Aysha has been working at CMG for years and has been a loyal employee. She and others have the right to feel safe at work. Aysha told me Ali has been to jail

multiple times for domestic violence. I noticed CMG has been letting a lot of HR violations slide and I think it is time you guys take proper steps. These are your employees, not slaves. I do not want to cause any trouble and I don't think I should be here telling you to do your job. Please, address this.

I give you 72 hours for CMG to take action or I will be forced to bring in a workplace attorney and/or file a police report against Ali and anyone else involved. This is not just for Aysha's safety but for everyone else.

I apologize in advance for the long email. I hope CMG takes the necessary steps to ensure their employees' safety.

Thank you

The requirements we impose in filling a position will be those that validly relate to the job performance required.

ANTI-HARASSMENT POLICY

It is ESSG's policy that all employees should be able to enjoy a work environment free from all forms of discrimination, including harassment. As such, ESSG and Reichel Foods, Inc. are committed to vigorously enforcing their Antiharassment Policy. This policy applies to all employees of the organization (without regard to position) and individuals not directly connected to ESSG (e.g., an outside vendor, consultant, customer or guest). Title VII of the Civil Rights Act of 1964 and the Minnesota Human Rights Act (MHRA) prohibit employment discrimination based on race, color, creed, religion, national origin, sex, marital status, status with regard to public assistance, membership or activity in a local commission, disability, sexual orientation or veteran status. Harassment is considered a form of discrimination and is specifically included among the prohibitions under Title VII of the Civil Rights Act of 1964. In addition, retaliation or reprisal taken against anyone who has expressed concern about harassment or discrimination against the individual raising the concern is illegal.

The Equal Employment Opportunity Commission (EEOC) and the Minnesota Department of Human Rights have defined sexual harassment as "unwelcome sexual advances, requests for sexual favors, sexual comments, or other verbal or physical acts of a sexual or sex-based nature including, but not limited to drawings, pictures, jokes, and/or teasing where (1) submission to such conduct is made either explicitly or implicitly a term or a condition of an individual's employment; (2) an employment decision is based on an individual's acceptance or rejection of such conduct; or (3) such conduct interferes with an individual's work performance or creates an intimidating, hostile or offensive working environment."

The Antiharassment Policy prohibits harassment and/or retaliation by any individual employed by, doing business with or for, or visiting ESSG. Employees who believe they have been the subject of harassment and/or retaliation or an employee who may have been witness to harassment and/or retaliation must report the incident immediately. Information and/or allegations must be reported to a manager of ESSG and/or Reichel Foods, Inc. (**by telephoning 866.496.7573 or 952.835.1288**). Only those who have an immediate need to know, including the alleged target of harassment or retaliation, the alleged harassers or retaliators, and any witnesses may find out the identity of the complainant. All individuals contacted in the course of an investigation will be advised that all persons involved in a charge are entitled to respect and that any retaliation or reprisal against an individual who is an alleged target of harassment or retaliation, who has made a complaint, or who has provided information in connection with a complaint, is a separate violation of ESSG's policy. All information will be disclosed only on a

need-to-know basis to allow ESSG to investigate and resolve the incident. ESSG and Reichel Foods, Inc. recognize the serious nature of harassment and therefore will endeavor to protect the employee who may have been subjected to harassment, any witnesses and the party against whom allegations have been filed to every possible extent.

Harassment is unlawful and has a negative impact on employees. Violation of the Antiharassment Policy will not be tolerated by ESSG and may result in discipline up to and including termination. Offensive acts or conduct have no legitimate business purpose; accordingly, any employee, regardless of his/her position within ESSG, who it is determined has engaged in such conduct will be made to bear the full responsibility for such unlawful conduct.

With respect to sexual harassment, the following is prohibited:

1. Unwelcome sexual advances, request for sexual favors, and all other verbal or physical conduct of a sexual or otherwise offensive nature, especially where:
 - Submission to such conduct is made either explicitly or implicitly a term or condition of employment;
 - Submission to or rejection of such conduct is used as the basis for decisions affecting an individual's employment; or
 - Such conduct has the purpose or effect of creating an intimidating, hostile or offensive working environment.
2. Offensive comments, jokes, innuendoes and other sexually-oriented statements.

If Harassment Occurs:

1. When possible, confront the harasser and tell him/her to stop. Sometimes a simple confrontation will end the situation.
2. If confrontation is unsuccessful, immediately contact your CMG/ESSG Account Manager to report the harassment.
3. An investigation will be conducted and appropriate action taken, including disciplinary measures. We will investigate, in confidence; all reported incidents of harassment and retaliation.

PERFORMANCE REVIEWS

Knowing what we must do and how we have performed is important to all ESSG personnel. Performance management is not only vital in setting performance standards which will reflect on how well we meet our business needs, but will also be the most important means to drive the financial rewards we all seek. Performance reviews are performed after any employee completes 90 days of service, then annually. Any recommendation for promotion, change of duties, or an increase in pay must be approved before any change takes effect. Performance reviews, however, do not automatically result in such changes or pay increases. Your supervisor will have more information on how the performance planning and appraisal process works. You may be asked to acknowledge the receipt of your review. If requested to do so, you are required to comply with the request, but your acknowledgement of receipt does not constitute your
