Issues of break at work.

My name is Tak Ojwato, and I am here to the Human resources of Reichel Food Company know that we are not taking breaks as supposed to by law. Our shift starts at 3:40pm thru 11:00pm. Recently, we are made to work from 3:40pm until 6:00pm without 15 min break. By 6:00pm we take 30 min dinner & break time and go back to work from 6:30pm until 11:00pm without break. 11:00pm is the end of our shift. Both supervisors (Ali & Lucy) are responsible for this. This event has been going on since August 28, 2023 until now. I just want the Human resource to look into this and ~~to~~ take action if necessary.

Regards!

Tak Ojwato
