- Working at Air Insanity as a court monitor I prevent accidents from happening, make sure no one is breaking the rules, for closing we mop all the trampolines. Working as a cashier I restock everything, place pizza orders then hand them out when delivered, clean all restrooms, wipe all tables, and throw trash for closing as a cashier

### **Cashier, Food Runner**

- Working at Buffalo Wild Wings, as a host I'd seat people down, answer phone calls to place orders, train new employees, check for correct food items and time placed on orders, working as a food runner I'd organize the foodline for servers, help servers serve food, and bust tables if needed. For closing I'd wipe menus, restock, portion food items requested by the manager, mop, sweep and throw trash.
