Experience

Community Engagement Associate,

July 2014 - September 2014

New York Public Interest Research Group, Buffalo, NY

- Raised over \$4000 canvassing local communities for NYPIRG's fundraising campaign
- Engaged and educated over 1000 people about NYPIRG's efforts; including fiscal transparency in New York State government, GMO labeling, redistrict reform, and additional topics
- Adapted to learning different sales pitches in a continuously evolving environment

Public Relations Manager

October 2012 – Present

Designing to Live Sustainably, Buffalo, NY

- Interacted with over 500 people, representing D2LS, at environmental public events
- Increased public awareness of D2LS' impact throughout the Buffalo-Niagara bio-region via publications in various media sources
- Expanded outreach to several hundred people by managing social media applications with daily updates
- Organized designs submitted for D2LS' annual design competition

Sustainability Coordinator,

October 2013 - Present

Andrew's Estate Service, Buffalo, NY

- Implement sustainable removal of household items and furniture using a low carbon footprint
- Doubled a network of buyers and consignment shops and increased a return on second hand merchandise
- Negotiated over \$8000 in sales of household commodities with local businesses and organizations
- Responsible for writing contracts and proposals

Quality Assurance Agent,

December 2011 - October 2013

Mueller Services, Tonawanda, NY

- Assessed over 10,000 home insurance reports in precision quality and certainty for underwriters
- Provided customers with insurance estimates based on their structural demands
