SKILLS

I delivered mail most of my working yrs and that is where most of my skill has been. I'm a fast learner and eager to learn anything new.

ADDITIONAL INFORMATION

I'm 38 yrs old, I'm having to start my life over from ground zero. I lost everything I had a year ago. I have the ability to calm almost any situation and people tend to like me. I'm a firm believer in Trust and Communication in every aspect of life. This is a scary process for me, but I'm ready to gain back my independence, and build my life back. I just need an opportunity to shine.
