## Summary

Production line Mechanic/Operator with 36 years of experience. Worked on Production equipment including preventive maintenance, troubleshooting and repairs. I also took care of the parts inventory including ordering, receiving, stocking, and paying invoices.

## Highlights

- Power and hand tools
- Circuitry and wiring
- Preventative maintenance
- Plumbing knowledge
- Pneumatics and hydraulics
- Mechanically-inclined
- Electrical repair
- Safety-oriented
- Self-motivated
- Effective time management
- Centrifugal pumps and compressors
- Machinery operator
- Mechanical repair

## Accomplishments

Learned to operate and repair all production equipment in the facility. Kept parts in stock to prevent lengthy breakdowns. Paid all invoices on time while maintaining the budget. Added many safety features to equipment.

Added features to equipment to make it more efficient and reliable.

## Experience

Pepsi Beverages Company

June 1977 to March 2014

### **Production maintenance technician / Parts inventory controller**

Roanoke, Va

Inspected and tested machinery to diagnose malfunctions. Completed routine preventative maintenance. Routinely checked fluid levels and replaced filters. Lubricated shafts, bearings and gears. Notified managers of major repairs or additions needed. Worked with single and three-phase power distribution. Troubleshot equipment problems using tools such as multi-meters and general hand-tools. Regularly updated the maintenance database using computer workstations. Maintained systems involving hazardous chemicals, gases and liquids. Changed lamps and ballasts and tested electrical circuitry. Changed equipment over to new product. Helped achieve company goals by supporting production workers. Monitored and adjusted production processes or equipment for quality and productivity. Recommended design modifications to eliminate machine and system malfunctions. Operated equipment on an as needed basis.

## Education

**Northside High School**

Roanoke, VA, USA
