WORK EXPERIENCE

McDonald's Crew Member (HWY 119&I25, Longmont CO)

- -Job function was taking orders, handling money, and occasionally working grill

McDonald's Crew Chief (HWY 119&I25, Longmont CO)

- Job function was taking orders, handling money, maintaining grill, teaching/ coaching the new employees the roles and the ropes of fast food.

ServTech Shop Help (Layette CO)

- Job function was basically doing almost about everything I was asked to do for example. I would help paint building if needed; I would clean the shop, and help file papers if needed.

Component Specialties: (3202 Nome St Aurora CO 80010)

- Job function is Delivery Driver, I drive around the Denver area and deliver to major companies, I deliver just about wherever needed, and I help cut metal in our shop when needed. I am currently employed with Component Specialties.

Allegiance Security/ Universal: (Firestone/ Denver CO)

- Job function maintained a post at Steven Roberts's Bakery off the frontage road over in firestone Colorado. I patrolled the facility throughout the night into early morning; this was my main post I maintained before the facilities moved to Denver. I also worked security for the Z bar in downtown Denver on St. Patrick's Day.

Rain for Rent: (Fort Lupton CO)

- Job function installer, I install and tear down water pipes for Frac sites, and I also watch and maintain the water levels in the water tanks on the frac sights.
