WORK EXPERIENCE

Machine Operator

Murphy Machine - Wood Dale, IL - June 1988 to January 2013

Responsibilities

I mostly ran secondary operations on a screw machine and had several years experience as a cnc operator for 25 years.

Accomplishments

I did my best to hold the tolerance on the machined parts

Skills Used

I used a micrometer; caliper height gage and a optical comparator to the best of my ability.

Machine Operator

Murphy Machine - Wood Dale, IL - June 1988 to January 2013

Responsibilities

I started every day performing maintenance on the screw machines and then received my orders from my supervisor on which machine I would run.

Accomplishments

I hardly had any rejected machined parts for 25 years while working for Murphy Machine.

Skills Used

I had good ability to measure machined parts with a micrometer

EDUCATION

Aircraft Maintainance in Aviation

Chicago Vocational High School - Chicago, IL

1967 to 1971
