## WORK EXPERIENCE

### **QMAP**

Vista Village Assisted Living - Wheat Ridge, CO - May 2002 to Present

I have worked many departments through Mountain Vista Health Center including Laundry and Houskeeping (May 2002 to May 2008), Dietary (January 2007 to May 2008) and currently Nursing (May 2008 to present). Being a QMAP (qualified medication administrative personnel) and PCP (personal care provider), I am very detail orientated with skills in time management. I am certified for cpr and first aid. I have demonstrated customer service in all fields. I also enjoy helping in trouble shooting pager system problems as well as other technologies, and brainstorming the most efficient ways of handling situations. I also answer the phones when the receptionist steps away.
