WORK EXPERIENCE

Team Lead

Vestas - Brighton, CO - June 2013 to February 2015

Responsibilities

I was responsible for a team of 20 workers. Manage them on the process we were working on as well as helping them. Reporting to the supervisor for production and quality.

Accomplishments

I worked my way from production worker to a team lead from one project to a new project. Worked with a foreign team to accomplish a fastest v110 blade in Vestas.

Skills Used

Team lead, crane and forklift certified also trained for infusions fiber glass with resin and hardner.

Forklift Operator

Contech solutions - Commerce City, CO - April 2013 to June 2013

Responsibilities

Load trailers with all sizes of sewer pipes up to 60ft long and 5ft radius.

Accomplishments

Work well with supervisor and clients.

Skills Used

Forklift operator.

Warehouse associate

Fritolay - Aurora, CO - December 2009 to December 2012

Responsibilities

Pick, load, unload, rotate, pack product. Unloading and rotating product around the warehouse with stand up forklift

Accomplishments

One of the fastest product pickers in the plant.

Skills Used

Great forklift operator.
