## WORK EXPERIENCE

### **Combat Engineer**

United States Army - Fort Polk, LA - May 2007 to February 2012

#### Responsibilities

Demolition, Bomb Disposal, Heavy Equipment Operator, Company Marksman.

#### Accomplishments

Squad leader, Team leader, one of two chosen for advanced marksmanship school out of our company.  
Demolition specialist for a platoon. Medals of valor.

#### Skills Used

Quick thinking in stressful conditions, and the ability to pay attention to every detail.

### **Concrete Foreman**

Deppe Concrete - Caledonia, MI - February 2000 to March 2007

#### Responsibilities

Basic concrete work, driveways, footings, walls, sidewalks. Load forms with fork-lift onto trailer. Operate boom crane.

#### Accomplishments

6 months after I started I was promoted to foreman.

#### Skills Used

Reading blueprints, operating heavy equipment, math, specialized hand tools.

### **Steel Worker**

Steel Supply and Engineering - Grand Rapids, MI - July 1997 to January 2000

#### Responsibilities

I had a couple different positions. Fabrication, welding, painting, moving beams with overhead crane, delivery, inventory.

#### Accomplishments

I was able to learn my job fast with no prior knowledge. Advanced quickly within the company.

#### Skills Used

Be able to work long hours and still think quickly. And have a good safety record in a dangerous occupation.

## EDUCATION

### **Certificate in Homeland Security**

American Public University - Manassas, VA  
2012 to 2014
