Position

A opportunity to work with a company that I can help achieve daily operations while assuring the success of the people and team around me.

Professional Experience

- June 2000 – August-2014 Steel Images Inc.- Operations Manager
Worked with the original owners of Steel Images coordinating all warehouse activity including shipping, receiving small and large shipments, inventory control while operating laser. Managed daily operations while interfacing with sales/ marketing, customer relations and laser operations for the company. Worked as project manger for several construction job we managed. Helped grow the company to over \$4 million. The company was started in 1993 and sold in October 2013. I was asked to stay on and help new owner with transition.
- June 2000-June 1989 Den Col Supply – Outside Sales/Warehouse coordination
Outside Steel product Sales
Marketing and management of the team to develop product areas for future growth while meeting with vendors to assure success of orders received.
- June 1989-January 1980 Steel Inc.- Sales
Inside and outside Sales
Marketing for all of Colorado
