## WORK EXPERIENCE

### **Logistics Management Specialist**

Lake Region Medical - Arvada, CO - May 2012 to November 2014

#### Responsibilities

Supervised all stint and artery wires being produced and even did some production myself if needed.

#### Accomplishments

I was awarded employee of the month 4 times. no body there made it that many times in a row. I'm very dedicated worker. only late or absent if in dire need, otherwise i'm there everyday with a smile.

#### Skills Used

My Degree in logistics served me well. my math and dimension skills are on point. I keep them sharp.

### **Foreman**

PAX Inc. - Deridder, LA - May 2007 to September 2011

#### Responsibilities

Supervised all major equipment running. and all out going materials for customers.

#### Accomplishments

We won LA's industry of the year award and was awarded 5 stars for our quality.

#### Skills Used

the dedication for any job I do. I have excellent math skills and very optimistic.

### **Senior Welder**

PAX INC - Deridder, LA - May 2007 to September 2011

#### Responsibilities

I was head welder i did all repairs and assembly for the fright trucks. MIG is my strongest and Im about 85percent TIG.

#### Accomplishments

Was with company for a long time. Made them alot of money and saved the day so many time being there journeyman for weld repairs.

#### Skills Used

I have a nag for being a worry wort and i pay attention to every detail.

### **Feeder**

o neals feed and supply - Deridder, LA - March 2002 to May 2007

#### Responsibilities

Feed producer i filled the bags and sealed them up. Easy job for a 17 years old. My first job!

#### Accomplishments

I learned that your first job always sucks. But i worked it and bought my first car

#### Skills Used

none manual labor.

#### EDUCATION

##### **BA in Logistics Tech**

Lamar Salter Technical - Deridder, LA

2008 to 2011

#### SKILLS

spectroscopy tech, deburr tech, very skilled in Math and dimensions. graduated highest in my class. Forklift certified, i have CDL just needs to be renewed. class A welder 7 years running mig and tig.

#### ADDITIONAL INFORMATION

Gap between my most recent job was the move to Colorado and getting into a residential area. Very pricey in Colorado compared to Louisiana. I have never been without work for more then a month. My time card never misses a stamp im always there unless deathly ill.
