WORK EXPERIENCE

Footwear Sales Associate

Sports Authority - July 2013 to February 2015

Helped and coordinated customers with shoes, insoles, and other sport related products to satisfy their needs. I also aided fellow associates in all departments of the store and assisted with freight, stocking shelves, and rearrangement of seasonal displays.

Silver Crown Landscape - May 2013 to July 2013

Assisted with office duties, worked cash register, and helped loading vehicles with purchased material.

Lab Technician

Orica USA Inc - May 2011 to August 2012

Carried out a series of laboratory-scale tests to identify which factors contribute to nitrate contamination in ground water associated with blasting activities at the Iron Ore Mine in Canada.

- Performed laboratory analysis on blasting agents manufactured at Charleston and Lehi manufacturing plants.

Metro State Track and Field Team Member

- 2011 to 2011

2011

Academic Honors 2008- 2010

Cashier

Home Depot - May 2010 to September 2010

Responsibilities included cash register, customer service, stocking shelves and maintaining cleanliness of business.

Achievements:
