WORK EXPERIENCE

Pole barn construction

RMH construction - Norfolk, NE - October 2014 to March 2015

Responsibilities

We framed, sheeted, and insulated pole barns, and occasionally did the concrete work, as well.

Accomplishments

I learned a new building style, a lot different from residential.

Skills Used

A lot of climbing, lifting, and heavy labor.

Construction worker

TK construction - Norfolk, NE - January 2012 to September 2014

Responsibilities

Build houses from the ground up. Laying the foundation, framing, sheeting, papering, shingling, and siding the outside; insulating, sheet rocking, and mudding. We covered almost everything besides electric, and plumbing.

Accomplishments

In my time with the company, we built several large houses, as well as doing smaller jobs, such as sheet rocking houses, and re-doing roofs.

Skills Used

The use of hand tools, power tools, tractors, and boom lifts. A lot of heavy lifting.

Detailer

GM auto center - Norfolk, NE - November 2010 to August 2012

Responsibilities

Prepare new vehicles to go out onto the car lot, and clean trade-in/customer vehicles. Help pick up and deliver vehicles. Drive customers to and from the dealership in the company courtesy vehicle.

Accomplishments

I was able to work a lot of hours, being one of four detailers we had to work together to cover all the hours the store was open.

Skills Used

Extreme attention to detail, the ability to successfully maneuver vehicles into small spaces, and social skills with the customers.
