## WORK EXPERIENCE

### **Machinist**

GRP Connecting Rods - Denver, CO - 2014 to Present

#### Responsibilities

I'm the lead in my area, known as secondary. If any of my co-workers have a question they ask me, if I can't answer it, I send them to someone who can. Using a Bridgeport, I drill an oil and lock pin hole, than I backbore the bolt holes, debur the rod of unneeded metal bits, clean the rods in solution, assemble them, than using a Haas machine I flight the rod to it's appropriate width. I also add chamfer, clean up rods, cut down bolts and hat washers on a lathe.

#### Accomplishments

My boss praises me for going the extra mile for the Customers.

#### Skills Used

Brideporting, backboring, assembling, flycutting, lathe work, and communication skills

### **Track Laborer**

Railroad Specialities - Denver, CO - 2014 to 2014

#### Responsibilities

I built and repaired railroad tracks.

#### Skills Used

The ability to work at a hard and fast pace in any type of weather and communication skills

### **Polisher**

JFW - Commerce City, CO - 2012 to 2014

#### Responsibilities

I was responsible for polishing wheels for customers.

#### Accomplishments

Hard work and determination. I was rewarded for working 24 hours to finish a big order that came in.

#### Skills Used

Customer Service skills

### **Contracted Laborer**

Western Distributing - Denver, CO - 2012 to 2012

#### Responsibilities

Whatever was required of me. I mowed lawns, trimmed hedges, installed new ballast and lights in several companies. Ran the forklift when needed.

Skills Used

Communication skills

**Painter/Laborer**

Dan's Metallurgy - Aurora, CO - 2012 to 2012

Responsibilities

I helped prep and paint a room.

Skills Used

Prep and painting skills

**Contracted Laborer**

Rick's Automotive - Aurora, CO - 2011 to 2012

Responsibilities

I helped them move from their old shop to their new shop.
