

Bryan Baldridge

Quitman, AR

russbaldridge@aol.com - 501-206-2933

I have worked in construction including: laborer for a commercial drywall/framing, and commercial electrical work. I would like to find a job that is physically challenging in construction or farm labor. I am a quick learner and show up to work on time.

Authorized to work in the US for any employer

WORK EXPERIENCE

Metal Stud Framing

Suspended Systems - Conway, AR

Electrical Apprentice

CIECO - Maumelle, AR - October 2005 to August 2007

I worked as an electrical apprentice doing electrical construction at ASU Heber Springs, and Wooster school. I was involved in assisting a journeyman electrician. Various tasks included: running conduit, pulling wire, making joints, trimming out after rough-in.

First Year Electrical Apprentice

Little Rock Electric - Little Rock, AR - July 2003 to July 2005

Responsibilities

I worked as a first and second year apprentice at Little Rock Electric. I worked on the hospital in Dumas, AR; Hollister store in Park Plaza mall and Lane Bryant in Park Plaza mall.

Accomplishments

I learned the basic skills as a first year apprentice and time management.

Skills Used

I learned the basic skills as a first year apprentice and time management. I also learned how to properly bend conduit and work as a helper to a journeyman electrician.

EDUCATION

Finance/Mathematics

Arkansas Tech University - Little Rock, AR

Arkansas State University
