unclebobtap65@yahoo.com - (563)723-1383

Summary: I have worked in a production/manufacturing environment for 20+ years. I am hardworking and reliable worker with 5+ years' supervisory experience and excellent teamwork ethic, leadership and communication skills. Years of experience in different kinds of factory-related work forklift, maintenance, machine operation, and assembly. I am familiar with the tools of the trade, and I am used to working in shifts and repetitive operations.

Authorized to work in the US for any employer

WORK EXPERIENCE

Meat Cutter/Clerk

Food Lion - Morrisville, NC - April 2014 to Present

Responsibilities

Provide friendly, courteous and prompt quality customer service to customers visiting the meat market. Assist Meat Cutter Trainees in the absence of the Meat Market Manager. Receive and handle the product as it arrives. Process fresh meats, seafood, lunchmeat, frozen food, and salted meats, wrap and weigh meats to production standards. Maintain sanitation, pricing, and price changes in the department. Understand and follow food and safety guidelines. Familiar with all department equipment and follow all safety standards accordingly on a daily basis which included a slicer, grinder, scale, saw, knife, wrapper and cuber.
