Hello. I'm a ambitious young man. Currently in the warehouse industry looking to further my training and to gain some certifications. This field is still new for me its been about 2 years, but i like the physical aspect of it. Also it develops leadership and teamwork skills.

WORK EXPERIENCE

Warehouse Lead

ABM/Flower Baking Company - Denver, CO - September 2013 to Present

Responsibilities

Unload Trucks and to verify product. Then i break product down by what the route/driver order. Then at the end of the night i do the computer work which i make any adjustments that need to be made. I also purchase the product in and create the deliveries for the divers and download it to there handhelds.

Warehouse Worker

Fresh Point - Denver, CO - July 2013 to August 2013

Responsibilities

Start of the day i would do a pre-trip inspection for my electric pallet jack. Then i would start unloading the trucks. Then when the truck are unloaded i then begin to break the pallets down accordling.

Skills Used

Electric Jack training, Order Selection training, and some forklift training.

Warehouse Associate

Wal Mart - Aurora, CO - March 2012 to April 2013

Responsibilities

I unload trucks sometimes five thousand pieces of fright into zones and then separate into departments. Warehouse receiving report on electronics. Main responsibility is to make sure all electronics over fifty dollars are accounted for. I know how to safely use a pallets, electric jack, and walkie stacker

Warehouse Associate

Kohl's - Lakewood, CO - March 2012 to July 2012

Responsibilities

I unload truck in a timely matter into zones were we separate by soft-lines and hard-line. I also do replenishment. With replenishment we have a system called MLS which mean merchandising location system. What this system does is allow you to enter in merchandise on the sale that need to be replenish. It process that info then creates a list where to find it in the back stock room.

Crew Member

McDonalds - Aurora, CO - August 2011

A drive-thru cashier. I handled lots of cash on a daily basis.

* Face to face customer service.

* Received employee of the month and was also considered for a manager position

12/1/2010 Call Center

- * I answered all inbound and outbound calls.
- * Credit and debit card activation, and also gift cards.
- * Visa Fraud Prevention Service was set up to solve any unauthorized transaction or lost or stolen card.

10/28/2010 Argus Centennial, CO

Security

- * Face to face customer service. I also handled large amounts of cash.
- * I've worked at places such as Sport authority field, 1st Bank Center, and CU Buffs games.
- * Another duty was to assist with parking.
