SUMMARY

I have always had a particular interest in hands on activity and a finesse for technology. I found my passion for machining in high school and have since wanted a career related to it..

EXPERIENCE

Grill Team, McDonalds

4993 Transit Rd, Depew, Aug 2013 - Aug 2014

My responsibilities were to operate the grills, fryers, ovens, and UHC. Stock freezers, cabinets, and prep table. Assemble sandwiches, and to maintain a hygienic workspace.

Accomplishments

- Trained numerous employees in their job duties.
- Always punctual with perfect attendance.

Multiple Positions, AMVETS

2900 Walden Ave, Depew, Aug 2014 - Aug 2015

Job duties were to greet customers, handle transactions, use the phone, bale extraneous clothing, compact waste, operate pallet jacks, maintain organised section and register area.

Accomplishments

- Was trained to close the store after just six months.
- Grossed more store revenue than any other cashier.
- Theorized and added multiple store improvements.
- Professionally handled multiple store emergencies.
- Always punctual with perfect attendance.

EDUCATION

Depew High School

-Regents Diploma

SKILLS

I am a mature and responsible job candidate that you can depend on because I take my attendance and job duties seriously. I am very resourceful and can handle stress without it affecting my performance. And I have also demonstrated that I have something to bring to each workplace. I am eager to work and appreciate this opportunity.
