

Hi. My name is schangler joseph, I use to work at Dynax my job tittle was making production as an machine operator. and I use to work at plastic one also I use to do molding part for surgery material..I got laid off from DYNAX. I'm looking for something full-time 2nd shift please I'm really interesting to get back up on my feet I just can't staying home and don't work please help me.
