Objective

To use my experience and knowledge for the benefit of serving others. Provide excellent customer service to assist in satisfaction and retention.

Job History

Independent Adjuster, Westbrook, MN 5/2012-Present

I appraise and adjust insurance claims for several Insurance Companies. This is for auto, truck, recreational, etc., which has been damaged. I determine the cost of repair and settle with the Insured.

Farm Program Technician Temp, FSA, Slayton, MN 5/2014-8/2014

During this time I spent most of my time certifying acres for Murray Co. farmers and land owners. I worked with CRP and other Programs also.

Crop Insurance Adjuster, ProAg, Amarillo, TX 8/2012-2/2014

I would adjust crop insurance claims according to RMA's procedures. I trained and received my CAPP license while employed there part-time seasonal.

Advisor/Compliance Reviewer, CropUSA/Hudson Crop, Overland Park, KS

2/2005-4/2012 as a full time field employee

First I was an Advisor and would train new agents. I also sold and serviced my own policies. With Hudson I was moved to Compliance where I would review policies for errors and make corrections as needed. These reviews were for RMA and they were involved in very large claims that I would review.
