ricky.ricky.77.77@gmail.com

OBJECTIVE

With 11 years of experience in Custodial/Maintenance and Assembly, I can help provide a great future with Employers

JOB HISTORY/DUTIES

Custodian/Maintenance

Independent School District# 196
Rosemount, MN
Start Date: 11/17/2009 End Date: 05/09/2014
Receive and dump trash and recyclable
Vacuum
Disinfect bathroom sinks, toilets, urinals and mop floors
Dust
Clean glass/windows
Set up staging and chairs and tear down for concerts
Run various shampoo machines to shampoo carpet
Strip and wax tiled floors
Minor repairs include: minor plumbing, minor electrical (ballasts) and adjustments on furniture

Assembler

Rosemount Aerospace
Burnsville, MN
Start Date: 09/2008 End Date: 11/2009
Read blueprints
Inline temperature gauges for airplane wings on measuring block
Measure right, left, up and down to fit within specs. Use hands, and various tools to inline temperature gauges.
Complete order, send down the assembly line to get capped and welded.

Custodial/Maintenance

Independent School District# 194
Lakeville, MN
Start Date: 09/2002 End Date: 08/2008
Experience is exactly the same as District# 196. The only difference is I had a Specials Boilers Certificate to check gauges and help clean them in the summer.

Shop Assembler/Hose Fabricator

Parker Hannifin
Lakeville, MN
Start Date: 07/1996 End Date: 09/2002
Read blueprints and then receive correct hoses and fittings from warehouse with forklift.
Run chop saw to make first proto-type on order with cut to length fittings on both ends, measure with tape measure.
Put fittings on both ends of hose on Push Machine.
Set up Crimp Machine: Dies, dial module, crimp diameter and length measurements, measure with caliper to achieve overall measurement on graph chart.
Audit work and box up product for shipping.

EDUCATION

DEGREE: High School Diploma

Major: Passed all generals
Rosemount High School, MN USA

LICENSES/CERTIFICATES/ADDITIONAL TRAINING

Specials Boiler License

07/2005----Expired in 2009
Independent School District# 194 MN
