WORK EXPERIENCE

Grinder

Activar - Eden Prairie, MN - November 2014 to Present

Grinding and scotch brighting weld marks off of cold roll and stainless steel fire extinguisher cabinets, vision frames, defibrillator boxes, and other steel parts.

- * Marking splits, cracks, and holes for repair.
- * Cleaning and maintaining grinder, dust collector, and work area.

Lab Technician

Marathon Orthotics - Eden Prairie, MN - October 2011 to April 2014

Assembled custom orthotics in a timely fashion.

- * Operated drill press, grinders, vacuum formers, buffers, table saw, and band saw.
- * Enhanced lab and company reputation by using my leadership qualities to take initiative and cross training to learn new skills and help with extra work.
- * Finished and refinished custom orthotics for quality control.

Cashier

Nickelodeon Universe - Bloomington, MN - September 2010 to February 2011

Cleaned floors, tables, windows, and eating areas.

- * Followed procedures for safe food preparation, assembly, and presentation.
- * Operated cash register making hundreds of cash, credit, and check transactions daily.
- * Communicated effectively and positively with customers, coworkers, and management.
