WORK EXPERIENCE

Production

Air comm corporation - Westminster, CO - 2011 to February 2014

Responsibilities

Assemble parts to prints/drawings, assemble parts, test done parts work to drawing, fix parts that were not to print, help logistics pick parts, help shipping and receiving send and receive parts.

Accomplishments

I was able to help everyone around me in every department. Got experience in production, logistics, and shipping and receiving to help when they needed a hand. I'm a fast learner and bilingual that made it easier and faster.

Skills Used

I demonstrate I'm a work player and fast learner. Friendly and talked to everyone at work.

General labor

Regional oilfield services - Fort Lupton, CO

Responsibilities

Outside duties. Cut pipe, connect lines, disconnect pipeline, manufacturing parts, work 12 hour days. Standing all day no problem working long hours n standing.

Accomplishments

I got a lot of new learning tools. Fast paced n a really fast learner. Bilingual

Skills Used

Always on time and always at work. Rarely miss. Got along with everyone just great.

EDUCATION

High school

Skyline high school - Longmont, CO
