WORK EXPERIENCE

Kitchen Crew

Sunset Inn Bar & Grill - Pueblo, CO - January 2012 to Present

Responsibilities

Managing a safe work environment, working from 8-10 hours daily, placing food orders to distributors, prepping food for the week, cooking, tracking how much food we make, maintaining a clean kitchen, handling the beer and liquor

Accomplishments

Being quick and efficient throughout the time I have been there. Being able to manage things throughout the kitchen for the past 3 years.

Skills Used

Never worked in a kitchen before this, always been a quick learner and was able to pick up really quickly on things and learn the job really fast.

Asset Protection

Best Buy - Pueblo, CO - September 2010 to October 2011

Responsibilities

Conducting safety checks every hour, conducting asset checks every hour, talking and interacting with customers on a daily basis, watching the surveillance every shift, managing department keys, stocking and cleaning up the warehouse

Accomplishments

During my time there I stopped and prevented a lot of thefts that took place in the building. I was very knowledgeable of the majority of the products we carried.

Skills Used

Talking and interacting with customers, being able to talk to them and help to find out exactly what they were there for and assist them in making purchases. Paying attention to the product in the different departments. Always knew the stock counts and the products we carried.
