Cashier/clerk /Assistant Manager

western Connivance - Longmont, CO - October 2012 to April 2014

Responsibilities

Collection and distribution of money to customers, daily paperwork, order and restock items, adjust out of date products, maintain staff focus, and general care of store.

Accomplishments

During my last month (letteraly I was 8 months pregnant) I was essentially the manger after the corporate office decided to demote the manager who made me assistant manager, they switched management twice after her. I maintained the store to the best of my abilities and kept employees focused on their job.

Skills Used

Leadership, dependability, flexibility in a situation I had no control over.

Coordinator

Career Connections inc - Boulder, CO - October 2010 to May 2011

Assisting and helping two accounts one for best buy and another for flour a small company. Provide basic trouble shooting and order replacements parts or computers for the best buy retail centers and their geek squad employees as well as the corporate computers. Computer and phone based assistance.

reason for leaveing: terminated according to the manager was due to a clerical error on a system ticket that was fairly major. They never showed me where the error ocured nor the sistuation behind the ticket.

Cashier

Wal-mart - August 2006 to August 2010

Running register handling customer service directing and assisting customers also seasonal help in other departments for example during the summer I would assist the garden center water/trim plants and run a portable register there. Also during the Christmas holiday shopping I would assist the electronics department with sales stocking and game cases

Reason for leaving: terminated due to a scheduling error they had me down in the system scheduled to be working and I had down from the paper schedule that they provide that I wasn't supposed to work.
