## construction surveyor

colemanrossel@gmail.com

---

I am a dedicated and hard working individual looking for a company that will provide me with room for expansion and a environment where i can expand my knowledge. I am currently employed and looking to change careers and i believe i would make an excellent addition to your team.

---

### construction surveyor

Ames

Majorty of the work i complete at ames is labor instinsive and high procision do to the building requirments

---

### construction surveyor

PWSI

PWSI was the company where i learned the basic fundamentals of construction surveying. Call Tim at (303) 229-4857 to verify. He was my direct supervisor.

---

### Tire Mechanic

Discount Tire

I worked at discount tire for a short period of time as a temporary job while waiting to be hired at PWSI

---

### DC electical technician

school of hard knox

I have exstinsive training in DC electronics including soldering of surface mount and thruhole components while repairing small and midsized electronics and some training in AC when working on large house hold applinces
