## WORK EXPERIENCE

### **Machine Operator**

Marlee Manufacturing Inc. - Ontario, CA - March 2008 to Present

I worked hands on with CNC Vertical Mills 3/4 axis and CNC Lathes. I currently operate a Horizontal Mills with a Fastems system. I work with Kitamura/Mori Seiki/Fadal equipment. Inspection, Assembly, Finishing of parts as needed. Normal maintenance or cleaning of equipment and shop duties.

#### Accomplishments

Leadership/teamwork/effectiveness in a fast pace , climate changing environment takes the right person. I can adapt to anything. I'm ready for a challenge.

#### Skills Used

Ability to operate, maintain, load and unload Horizontal Machining Centers. (Fastems). Able to operate CNC Lathe /Conv press. Basic math, reading, writing. Some heavy lifting and forklift work necessary.
