

Aldo Aguilera

CNC Operator - NTA Precision Axle

Bloomington, IL
superaldo94@yahoo.com - (630) 666-9992

My goal is to obtain a job (preferably hands-on but not limited to) that is stable and compensates me for my knowledge and hard work ethic. I'm constantly on the prowl for bigger and better opportunities, because I will not settle knowing I can do much more. Perhaps this is where you come in?
Authorized to work in the US for any employer
