Work Experience:

Education Service Advisor

AHCi, LLC.

May, 2014 - Present

aXseum Solutions, LLC.

September, 2013 – June, 2014

Constant collaboration with the education advisement team, ensuring all soldiers of the Army Reserve are receiving their full educational benefits within the boundary of policies implemented by the Army and other governing offices. I interpret questions from service members and provide important information regarding educational benefits for GI Bills and Federal Tuition Assistance. The main objective of my current position is to be the subject matter expert of GoArmyEd, the virtual gateway for Federal Tuition Assistance.

Team Lead/Visual Manager

Teavana

March, 2014 – Present

I coach and provide sales tools and techniques to team members. I oversee shift operations to ensure the team is actively striving to meet store and personal sale goals. I also conduct daily overviews of store back stock and floor merchandise to ensure optimum efficiency and attractiveness.

Internships:

Lighting Technician

Ocean State Theatre Company, Warwick, Rhode Island

June, 2013 – July, 2013

Assisted lighting designer and master electrician in creating the realized product of the designer's concept.

Lighting Designer

Stages for Youth, Clarksville, Arkansas

May, 2012 – August, 2012

May, 2011 – August, 2011

Analyzed plays and developed concepts for the atmosphere of the worlds being taken to the stage. Organize lighting by creating a plot by using VectorWorks and other CAD software.

Properties Intern

Westport Country Playhouse, Westport, Connecticut

May, 2010 – August, 2010

Assisted the properties master in designing and building props for each show. Creating set dressing and naturalizing the room with appropriate items to create an environment for the characters and world.

Education:

University of the Ozarks – Clarksville, Arkansas

Bachelor's Degree – May, 2013

Major: Theatre - Scenic and Lighting Design *Minor: Business*

Related:

Proficient in the use of CAD software and Microsoft Office applications: Word, Excel, Power Point, Office, and Publisher. Typing speed is 60+ words per minute.
