## WORK EXPERIENCE

### **machine operator**

western container (coca cola ) - Big Spring, TX - November 2014 to Present

#### Responsibilities

I operate multiple Machines that produce plastic bottles for coca cola, I'm in charge of quality and uniformity of the bottles. I program the machines make adjustments and clean.

#### Accomplishments

I've moved from the blow line down stream to operator in just 2 months

#### Skills Used

I can operate the machines and correct the issues we have with the bottles that are being produced

### **certified applicator**

ABC home and commercial services - Austin, TX - March 2011 to October 2014

#### Responsibilities

I provided excellent customer service to clients regarding there pest issues. I would assess the problem and come up with a preventative measure of control, then apply the solution to the home on the interior and exterior.

#### Accomplishments

I obtained my certified applicator license within the first year of hire. Which is good considering most employees that were there for years and years were not certified like I was.

#### Skills Used

customer service, trust, listening and acknowledgement little to no supervision.

### **department manager**

walmart - Bastrop, TX - April 2008 to August 2011

#### Responsibilities

Was in charge of hiring process for crew on my shift, made schedules and assisted with time off requests to provide coverage. Changed prices in department and was in charge of filling and ordering merchandise

#### Accomplishments

was promoted to department manager after a few months, took over 4 departments during my time as manager

#### Skills Used

I have strong leadership skills which led me to achievement in management status. Enjoyed being the manager who would lead by example and my employee's respected that.

## EDUCATION

### **Diploma**

marble falls high - Marble Falls, TX  
2000 to 2004
