

## OBJECTIVE

---

Seeking an exciting and challenging opportunity to utilize my skills for the success of an organization where I can grow both professionally and personally.

## EXPERIENCE

---

### **Vocational Rehabilitation Counselor**

*July 2010 to May 2015*

Division of Vocational Rehabilitation, Boulder, CO

- Provide counseling and other vocational rehabilitation services to individuals with disabilities.
- Interview and evaluate applicants, confer with medical and professional personnel to determine type and degree of disability, eligibility services, and feasibility of vocational rehabilitation.
- Develop plans and provide goods and services that are necessary for each individual to obtain/maintain employment.

### **Human Services Specialist**

*April 2007 to July 2010*

Social and Rehabilitation Services, Wichita, KS

- Provided case work services to socially and economically disadvantaged individuals and families.
- Determined eligibility for Childcare, Food Assistance, Medical, and Cash Assistance programs.
- Maintained caseload of 335 families.

### **Community Living Program Coordinator**

*October 2006 to March 2007*

KECTH, Wichita, KS

- Managed a team of 11 employees that provided care for clients with a variety of special needs.
- Coordinated activities/events for clients and staff.
- Assisted in scheduling and on-call when needed.

### **Radiology Associate**

*March 2002 to May 2005*

St. Francis Medical Center, Wichita, KS

- Patient Care, Customer Service, Internal Transportation, and Clerical Work.

### **Internal Transporter**

*August 2001 to March 2002*

St. Francis Medical Center, Wichita, KS

- After eight months of being an Internal Transporter I was promoted to Radiology Associate.
- Transporting patients to and from their rooms and procedure areas.
