

Ernest J Jergens Jr.

1310 Henry Ave.
Spring Hill, Florida 34608
727 222 8361

Objective

Pursue a job with a quality company that I can offer my many skills and experience of the tooling and machining trade such as Sales, Project management, Tool room Manager, Lead Moldmaker, CNC, Sinker EDM or Wire EDM.

Professional Profile

Founded Jergens Tool and mold Corp in 1977

Started as a one man operation and grew to 75 employees

Built plastic injection molds and Die cast molds

Founded Jergens Innovative Technology in 1996

Plastic injection molding

Started with 3 molding machines and grew to 25 machines ranging from 55 tons to 500 tons

Grew the company to 120 employees, QS/ISO 9000 certification, running 24/7 using state of the art automation.

After closing the two above plants I relocated to Florida

After a year in Florida I returned to Dayton, Ohio and started another tooling company building molds for foam urethane for the automotive industry

2009 I moved back to Florida

Work History

November 2014, Chapman Mold has laid me off because they are virtually out of new molds to build with nothing in the near future to build and they had to cut costs.

April 2014 to present, Tool room manager, Chapman Mold Inc. Brooksville, Fl.

January 2014 to April, Tool room manager and Design for Composite Motors in Brooksville, Fl.

July 2009 to Oct. 2013, Wire EDM, Sinker EDM, Tool room Manager, Moldmaker at Oscor Inc. in Palm Harbor, Florida.

2007 to 2009, Tooling engineer, CNC, Design, Program CNC and Partner of DPP Tool and Engineering, Dayton Ohio.

2006 to 2007, CNC Sinker EDM at American Tool & Mold, Clearwater, Florida.

1977-2006, Owner Jergens Tool and Mold Corp., Englewood, Ohio.

1973-1977 Tool Room manager, Lead Moldmaker at Alpha Mold, Dayton, Ohio

1970-1973 Lead Moldmaker at Kuhns Mold, Brookville, Ohio

1965-1970 Apprentice Moldmaker, Moldmaker at Broadway Mold, Dayton, Ohio

Education
