## Plant Operator

Niagara Falls, NY  
nfrantz812@gmail.com - 716-957-8946

I am a hard worker who is ready and willing to be put up to new tasks daily. I enjoy working with people, but also am comfortable while working alone. One of my strong points is my passion for wiring, weather it be electrical, audio, or cable work, and all types of troubleshooting. I am eager to learn new things, and excited to apply my knowledge in a new setting.
